

Young Adelaide Voices Fees Policy

Background

1. Young Adelaide Voices is a not-for-profit community organisation with a dual focus on Excellence and Friendship. Funding comes from a range of sources, including membership fees and external income through our valued corporate sponsorship, concerts and performances, fundraising activities, and individual donations (which are tax deductible, due to YAV's status as a charity registered with the Australian Charities and Not-for-profits Commission).
2. YAV staff and board members work hard to secure income from external sources, with valued support from the wider community. However, the funds raised through these activities unfortunately do not cover the costs involved. The majority of YAV's costs are for payment of our professional and dedicated musical staff – the accomplished musicians of Adelaide who deliver an outstanding musical education to our children and young people.
3. In order to ensure the ongoing world class excellence of the choral education and community programs provided by Young Adelaide Voices, a Membership Fee is charged to each chorister to ensure that the organisation is managed in a sustainable way. In addition, a Levy is charged to each chorister to cover the costs of the purchase and maintenance of print music.
4. This policy explains the Membership Fee and Music Levy and outlines the expectations of Young Adelaide Voices as to the payment of those obligations.

Membership Fee

5. A Membership Fee is payable by each chorister who participates in one or more of the programs offered by Young Adelaide Voices.
6. The amount of the Membership Fee varies depending on the choir in which the chorister sings. The current amount of the Membership Fee for each of the Young Adelaide Voices choirs can be found at <https://youngadelaidevoices.asn.au/choir-times-tuition-fees/>.

Music Levy

7. A Music Levy is payable by each chorister who participates in one or more of the Young Adelaide Voices choirs, in the amounts as set out at <https://youngadelaidevoices.asn.au/choir-times-tuition-fees/>.
8. Timing of Payment Obligations

For Junior and Intermediate Choir choristers, the Membership Fee and Music Levy are payable in four instalments and are due within 14 days of each invoice being issued in Terms 1, 2, 3 and 4.

9. For all other choristers, the Membership Fee and Music Levy are payable in two instalments and are due within 14 days of each invoice being issued in Terms 1 and 3.
10. For budgetary reasons and to ensure the financial viability of Young Adelaide Voices, the Membership Fee and the Music Levy are non-refundable except in cases of choristers developing ongoing health problems, in which case a doctor's letter is required.
11. Young Adelaide Voices reserves the right to preclude choristers from participating in performances organised by Young Adelaide Voices (particularly the mid-year and end-of-year concerts) if the Membership Fee or Music Levy have not been paid in accordance with this policy.
12. Should any chorister or their parents / guardians have difficulty in paying the Membership Fee or Music Levy, they should not hesitate to contact the office of Young Adelaide Voices at choiroffice@yav.asn.au for a confidential discussion. Payment plans will be considered to ensure that young choristers are not disadvantaged due to financial hardship. Payment plans on grounds of convenience are unfortunately not able to be considered.
